Liquid Repellant

All Life Approved fabrics by Four Seasons inherently are liquid repellant. The spilled liquid will simply bead and puddle up on the surface allowing you to blot with a clean cloth.

UV & Fade Resistant

Some of the Life Approved fabrics by Four Seasons are resistant to the degrading effects of sunlight. This is a great option for rooms that are exposed to high levels of ultraviolet sunlight.

Bleach Cleanable

Some of the Life Approved fabrics are Bleach Cleanable. Just add bleach to the wash cycle for washing slipcovers.

Odor Resistant

Some of the Life Approved fabrics are Odor Resistant. The Silver Ion Technology is resistant to bacterial growth thus inhibiting odors.
